TURKEY BANQUET

GLENDALE COMMANDERY ENJOYS DELICIOUS THANKSGIVING DINNER, SOCIAL EVENING

Guests who enjoyed the function arranged by the Glendale Commandery, which took place Friday evening, declare it was one of the finest banquets ever served at the Masonic Temple. It was a turkey dinner and a four-course affair which included everything that should have a part in a model Thanksgiving dinner, and there were bountiful helpings of everything. As usual, Mr. and Mrs. Thomas Ogg had charge of the dinner, and that, in itself, was a guarantee of excellence. To Mr. and Mrs. C. L. Peckham and Mr. and Mrs. Daniel Campbell the evening had special significance because it was the anniversary of their marriages. It was also Mr. Peckham's birthday. Covers were laid for one hundred guests, including a few from out of town who were friends of Mr. and Mrs. C. O. Pulliam, viz.: Mrs. J. P. Johnson of Duluth, Minn., whose husband is a thirty-third degree Mason, her daughter-in-law, Mrs. Robert Johnson, and Mrs. Manteer of San Francisco.

Following the banquet the company adjourned to the lodge hall where a pleasant evening was spent over the card tables playing five hundred for which handsome prizes were provided. The first ladies' prize was won by Mrs. David Crofton, wife of the Commander. It was a beautiful Holland vase. The first gentlemen's prize was carried off by James E. Phillips—a cigar set of four pieces. William E. Evans captured the booby prize for gentlemen—a bronze owl supposed to impart wisdom. Mrs. Gillady securing the ladies' booby favor—a deck of cards.

Clem Moore was the fun maker of the evening with a variety of jokes and pranks which kept things jolly.

PLAINTIFF WINS

CLIENT OF A. D. PEARCE SECURES JUDGMENT AND RESTITUTION OF VICTORY THEATRE

Glendale people who also have business in Burbank will be interested in the result of the law suit tried yesterday in the Superior Court by Judge Jerry C. Wood regarding the right of possession of the Victory Theatre, recently constructed in Burbank by the Burbank Development Company, a corporation.

On September 15th of this year the Company, without any process of law, but peaceably, went in and took possession away from Mrs. Mouffee, who was running it and has been since its opening, as lessee. The first trial was held on September 30th, A. D. Pearce, of Evans, Abbott & Pearce, representing Mrs. Mouffee, who was plaintiff in the action for forcible entry and forcible detainer. The judge on the first case decided against Mrs. Mouffee, but, on motion of the attorney for the plaintiff, the case was re-opened and the judge, after hearing further testimony yesterday, gave Mrs. Mouffee judgment and restitution of the premises and trebled the actual damages.

Burbank people were much wrought up over the case and large delegations were in the court room, most of them showing marked sympathy for the plaintiff. Mrs. Mouffee will be given possession of the theatre on Tuesday next.

FOOTBALL GAME

GLENDALE DEFEATED BY STRONG TEAM OF CITRUS UNION HIGH

Automobiles parked along Harvard and Louise and even on the campus itself advertised that something of interest was doing at Glendale High Friday afternoon. Most observers would suspect a football game and such it was between the local team and that of Citrus Union High to determine the league championship. But the silence was ominous. There were few glad shouts.

Approaching the field a line of spectators was seen surrounding it and a grand stand set with boys and girls shouting encouragement to their men or jeering the enemy. As far as Glendale was concerned the enemy had it all his own way for the score was dismal, 45 to nothing in favor of the visiting team, when the game ended. Nobody seemed able to entirely explain it though there were reasons. Citrus Union players are known as a strong team. Continued on page 6)

HOME FROM CHICAGO

MRS. V. E. PHILP TEMPTED TO REMAIN FOR THE WINTER IN THE WINDY CITY

Mrs. V. E. Philp of 221 North Orange street returned Thursday from a six weeks' visit in Chicago, where she was the guest of her sons, Robert and Thomas, and of numerous nieces and nephews who vied with each other to give her so good a time that it was hard for her to break away. Had her husband been there instead of here she says she would have been tempted to remain for the winter. She came from the east thirty-two years ago and when the mercury got down to 16 above zero as it did one morning during her stay she found it so fine and stimulating that she wanted more of it. Her sons like it there, too, very much, and say that business conditions in Chicago, particularly for young men, are very favorable. She thinks therefore that they are not likely to soon return to California. Their ice-cream business is not so strenuous as it was in the summer when they were turning out between 6000 and 7000 gallons daily. It has now shrunk to 1000 gallons. Mrs. Dow, who is spending the winter with her daughter, Mrs. Robert Philp, is enjoying herself very much, but she is planning to return to Southern California in the spring.

CRANDALL—DAVIS

A pretty but very quiet home wedding was celebrated Friday evening at the home of Mr. and Mrs. John C. Davis, of 371 Salem street, when their daughter, Miss Charlotte Davis, became the bride of Cecil Crandall, of this city. Rev. Clifford Cole was the officiating clergyman, using the ring ceremony. As a prelude to the nuptials vocal numbers were contributed by Mrs. Wallace F. Thrapp, wife of the pastor of the First Christian Church, of Seattle, who had been a teacher of the bride and intimate friend. There were no attendants and the bride was married in her pretty going-away gown. Only the immediate relatives of the contracting parties, and Mrs. Thrapp and Mr. Cole were present. After receiving the congratulations of their friends and enjoying a wedding supper, Mr. and Mrs. Crandall departed to spend their honeymoon at one of the beaches. On their return they will establish their home at 303 Salem street. Mr. Crandall is connected with one of the moving picture studios of Hollywood. He is an ex-service man and musician.

TEACHERS INITIATED

INSTRUCTORS IN INTERMEDIATE SCHOOL GATHER AT WHITE INN FOR ANNUAL DINNER

Teachers of the Intermediate School enjoyed their annual dinner Friday evening. It was served at the White Inn and covers were laid for twenty. After the delicious repast of chicken and other good things which usually accompany that delicacy, there was a brief program of toasts over which Miss Clara Midcalf presided as toast mistress. The speakers were R. D. White, whose toast was "The Gang;" Miss Frances Jackson, "Our New Relations;" Miss Noble, "Scandal;" and Mr. Fullen, "Nothing." Following the dinner the party adjourned to the home of Miss Midcalf on Harvard and Jackson streets, where all the teachers of the school not heretofore initiated were put through appropriate ceremonies. The list included Misses Gladys Sharpe, Sallie Riley, Vera Sinclair, Carol Duncan, Elsa Breneman, Jane Robertson, Messrs. John Hockett, Edwin Price, Ronald Ross, Robert Blanford and P. A. Fullen.

This is the first time in two years that the teachers of the school have been together in an affair of this kind because last year, when the date had been set and all preparations made for initiations, etc., the influenza epidemic made it necessary to recall the invitations.

Following the initiations there were games, the principal one being the track meet in which three groups under the names "Phenomenal College" and "Pumpkin Center College" competed in a variety of stunts. The "Nonetity" college team, headed by Mr. Blanford, won the banner. He was also the star performer in a yes and no contest which lasted practically the evening through. Each person present was given twenty beans. Every time he answered yes or no to a question asked him he was obliged to surrender a bean to the questioner. There were musical numbers and the Virginia Reel closed the evening.

EGGS TO BE \$2.00 PER DOZEN

PREDICTION OF PRESIDENT KNIGHT OF POULTRY KEEPERS' ASSOCIATION OF CALIFORNIA

(Special Service to Glendale Evening News)
PETALUMA, Cal., Nov. 22.—President Knight of the Poultry Keepers' Association of California predicted today that eggs will retail at \$2 per dozen before the winter is over.

STATUS OF LEAGUE OF NATIONS

ITS ORGANIZATION INDEFINITELY POSTPONED AS RESULT OF SENATE'S REJECTION

(Special Service to Glendale Evening News)
PARIS, Nov. 22.—Although the Supreme Council had tentatively decided to make the peace treaty effective December 1st, as a result of the American Senate's rejection of the treaty it has become doubtful if this plan can be carried out. The decision of the Supreme Council was based on the assumption that the American Senate would reach some compromise. Diplomats say it is necessary to hold the first meeting of the League of Nations on the day the treaty becomes effective. Under the treaty the League of Nations meeting cannot be held except on the call of President Wilson. Fear is expressed that the Senate's action indefinitely postpones the organization of the League of Nations.

PROHIBITION AMENDMENT

ITS CONSTITUTIONALITY TO BE TESTED IN CASE BROUGHT BY RHODE ISLAND AGAINST FEDERAL GOVT.

(Special Service to Glendale Evening News)
WASHINGTON, Nov. 22.—Liquor interests are now planning an attack on the constitutionality of the national prohibition amendment. They will base their attacks on the allegation that the amendment is in conflict with the powers delegated to the states. They plan to launch the attack about the time the law becomes effective.

The fight will probably be started by the State of Rhode Island. The Rhode Island legislature has appropriated \$5000 to sue the Federal government in the Supreme Court for an injunction preventing the enforcement of prohibition in that state on the ground that Rhode Island has not ratified the amendment. It is believed this case will bring a decision on the validity of the prohibition amendment.

MEXICAN GOVERNMENT SILENT

U. S. DEPARTMENT OF STATE RECEIVES NO REPLY TO NOTE DEMANDING RELEASE OF CONSULAR AGENT

(Special Service to Glendale Evening News)
WASHINGTON, Nov. 22.—The State Department announced at noon today that it had not received any information indicating that the Mexican authorities have released William Jenkins, the consular agent, held in jail at Pueblo, Mex. The department has been notified that the American note demanding his release has been delivered to the Mexican foreign office, but no reply has been received. Secretary Lansing said the Mexican foreign office had notified him that the Mexican government is taking all possible steps to bring to justice the murderer of Eugene Lack, who was shot at Mexicali.

TO ORGANIZE LABOR PARTY

LABOR LEADER DECLARES THE ANARCHISM OF I. W. W.'S MUST BE STOPPED

(Special Service to Glendale Evening News)
CHICAGO, Nov. 22.—John Fitzpatrick, labor leader, addressing a convention called to organize the national labor party, declared today that the anarchism of I. W. W. Reds must be stopped. He added:

"We will lay the foundations of the labor party also to fight the desire for world control of drunken anarchistic profiteers. It is up to the men who respect law and order to take over the situation and operate industry and government in the interests of men, women and children."

EXCHANGE OF GERMAN LINERS

NEGOTIATIONS BETWEEN ENGLAND AND UNITED STATES REACH DEADLOCK

(Special Service to Glendale Evening News)
WASHINGTON, Nov. 22.—It was learned today that negotiations between England and the United States on the exchange of former German liners which are held in the United States and twelve Standard Oil tankers, have reached a dead-lock.

THANKSGIVING PROCLAMATION

SACRAMENTO, Nov. 22.—Gov. Stephens today issued his Thanksgiving proclamation saying:

"Time is healing the sorrows of the battlefield and prosperity is with our people everywhere. The bounty of Nature has been unmeasured during the past year and we should be thankful that California has had such a generous part in helping to mitigate the starvation of the world."

GLENDALE POST A. L.

BY-LAWS DEBATED AT THURSDAY EVENING MEETING—IMPROVEMENTS PLANNED

The regular meeting of the Glendale Post of the American Legion was held Thursday evening at Post headquarters on Brand boulevard over the Bank of Glendale.

The proposed by-laws for the organization were discussed and part of them were adopted. The discussion will be resumed at the next meeting which will be held two weeks hence.

The amusement committee reported concerning the dance to take place tonight at Masonic Temple, saying that all arrangements had been perfected and there was every prospect it would be a social and financial success.

The report of the finance committee was also received and was most encouraging. Members expressed their appreciation of the improvements made in Post Club Rooms and one of the committees reported that a Post library is to be started and that arrangements have been made for a supply of magazines and other periodicals.

The organization now has about 130 members and more coming in all the time. Governor Stephens has acknowledged the receipt of the resolutions recently adopted by the Post relative to the I. W. W. and its readiness to co-operate with the authorities in maintaining order should the need arise.

JUNIORS BANQUET

PARENTS AND SUNDAY SCHOOL SCHOLARS FIRST M. E. CHURCH HAVE PLEASANT FUNCTION

Friday evening a banquet planned originally as a function for the Junior Development of the Sunday School of the First Methodist Church was enjoyed in the banquet hall of the church. It had been expanded to include the parents of Juniors and then to include the Brotherhood of the Church. Covers were laid for about two hundred and a delicious turkey dinner with "all the fixin's" was served. The Juniors, it is said, are making a fine record and the church was glad to honor them in this way.

Following the dinner a nice miscellaneous program was enjoyed which included songs, recitations, etc., by the Juniors. J. P. Fansett was toastmaster and brief speeches were made by Rev. Clyde M. Crist, the pastor, who talked on the importance of Sunday School work, and by Arthur G. Lindley on behalf of the "Brotherhood," who voiced the importance of standing together as a unit to promote the interests, spiritual and material, of the church.

NEW MEMBERS

RECEPTION IN THEIR HONOR HELD AT FIRST PRESBYTERIAN CHURCH OF GLENDALE

On Thursday evening, from eight to ten, a reception was held in the church parlors to the thirty-four new members received into the church the previous Sunday morning. About 125 members and friends gathered to welcome and get acquainted with the guests of honor. The committee in charge consisted of Mrs. L. W. Sinclair, chairman; Mrs. T. Weisen and Mrs. A. F. Van Ornum, assisted by members of the S to Z division. The following program was rendered:

Piano solo, Miss E. Hozack.
Vocal solo, Miss Cox.
Reading, Miss Winnie Sinclair.
Duet, Miss Cox and Mr. Cox.
The committee had planned various games, one of which was very amusing and entertaining, whereby various members were called upon to sing, recite or perform some "stunt." About ten o'clock delicious refreshments were served by the committee and its assistants. These receptions are held quarterly and this one is reported as one of the best ever held.

SOCIAL SUNDAY AFTERNOON

A group of young people gathered at the home of Miss Dorothy Hunt last Sunday and spent the afternoon taking kodak pictures. A supper was served by the hostess and the evening was devoted to music. Those present were: Miss Aileen Sullivan, Robert, Albert and Francis Sullivan, Miss Ruth Morton of Los Angeles, Miss Ruth Wilson, Francis Gordon and the hostess.

WEATHER FORECAST: Partly cloudy tonight and Sunday. Slight drop in temperatures.

WELCOMES DEFEAT

C. H. THOMPSON REJOICES IN CONGRESSIONAL ACTION ON LEAGUE OF NATIONS

Every man, woman and child in America ought to rejoice today over the defeat of that infamous document combining the Peace Treaty and League of Nations. For this victory we are indebted to a little band of Republican Senators, assisted by a few brave Democrats. These men saw through the lying propaganda that has been spread all over this country, and has darkened the minds of millions until they were no longer able to distinguish the light that flamed from the lofty patriotism and genius of Washington, Jefferson, Adams, Monroe, Lincoln and Roosevelt. These men, and those that believed in them, created this Republic, and have maintained its integrity for more than one hundred and forty years. They all repeatedly warned us against entering any scheme of foreign entanglement. Then comes an impractical visionary with his dream of World Democracy which could not possibly be realized when built on a foundation of inter-national despotism.

Mr. Wilson went to Paris to incorporate his fourteen points in the Peace Treaty, and all good men wished him God speed, but he failed to stand his ground under the sinister spell of European intrigue and crooked diplomacy; in fact, he surrendered his principles and most of his Fourteen Points. We know he played in a hard game, but after losing he had no right to come home and use all the powers of his great office to foist this fraud on the American people. And I want to say that for making the attempt, he will go down into history thoroughly discredited. I firmly believe that every American who honestly advocated such a surrender of our sovereignty will some day be ashamed of himself.

The public men and private citizens that have dared to defend the Faith of the Fathers against this avalanche of Inter-Nationalism have been subjected to abuse and all kinds of coercive measures, but thank God they stood their ground and fought the good fight, and this glorious victory is their vindication.

C. H. THOMPSON,
Nov. 21, 1919.

MISS WALLACE HONORED

SHOWED BY GIRLS OF PHILATHEA AND J. O. C. CLASSES OF CENTRAL M. E. CHURCH

Miss Marjorie Wallace, of 1239 South Glendale avenue was treated to a delightful surprise Friday evening when she responded to the summons of Mrs. Marion Smith, wife of the pastor of the Central Avenue Methodist Church, who asked her to call at the parsonage. She "ran over" just as she was in the gingham gown she had been wearing all day and found awaiting her the members of the Philathea and the J. O. C. classes of the Sunday School. Four tables were spread in the parsonage dining room centered with pink roses and gay with other appointments in which a pink color scheme was carried out. Around these the girls gathered after a pleasant evening of games. About the time the coffee was served Miss Wallace found a ball of twine beside her plate and was instructed to follow it up, which she did, locating thereby many beautiful and useful gifts with which she had been showered by the girls present. The engagement of Miss Wallace to Will Hewitt has been known to her friends for some time as it antedated the great war in which Mr. Hewitt served overseas and from which he returned only a few months ago. Their marriage will take place some time in December.

Following the shower and the exhibition of the gifts the girls gathered around the fireplace and enjoyed a song. A partial list of those invited includes: Misses Mabel Gile, Emily Kopp, Esther Besant, Helen Muhleman, Blanche Cramer, Edna Phillips, Mildred Williams, Emma Taylor, Pauline Emms, Norma Wallace, Enid Deeds, the guest of honor, Marjorie Wallace Mesdames Ethel Klammer, Rickert, May Frank and the hostess, Marion Smith.

FREAK SENTENCES

BUT THEY MAY TEND TO CONVICT RECKLESS DRIVERS OF THEIR CARELESSNESS

Touring Topics comments upon some odd sentences that are imposed upon motorists who kill or maim pedestrians. Some communities seem to go on the theory that the more outlandish the sentence imposed the firmer the lesson will be impressed upon the offender, and there may be something in this.

In Chicago, automobile speeders are sentenced to make slow trips through the Morgue under the guidance of a deputy coroner.

In Youngstown, Ohio, the automobile speeder is sentenced to hold watch beside the body of the person killed by his machine or at the hospital bedside if the accident victim is injured.

In New York City, a "rogues' gallery" for traffic law offenders is maintained by the police department.

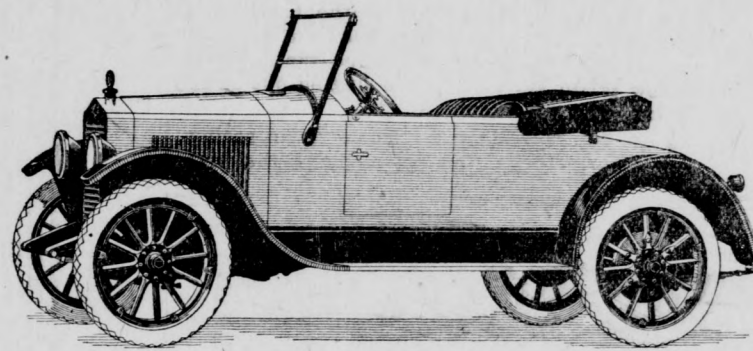

A plan to photograph and fingerprint chauffeurs has been proposed to the Chicago Board of Aldermen.

THE CLEVELAND

SMART, NEW CAR ENTHUSIASTICALLY RECEIVED ON THIS COAST

One of the remarkable features of the current automobile season is the enthusiasm with which the motoring public has received the Cleveland Six. Though new to the Pacific Coast this smart, light car has been undergoing exhaustive tests for almost three years in the east, and though it has been introduced without sensational "stunts" or startling advertising claims, it has leaped into popularity with a rapidity that has already necessitated the doubling of the factory facilities.

Among the features of the Cleveland Six are refinement of body, design, superior riding qualities, economy of operation, a remarkably efficient valve-in-head motor and sim-

Women say its appearance captivates. Its spirited lines, color and performance are smartly distinctive, among motor modes. The Essex Sedan has won special favor with the growing numbers who prefer a closed car.

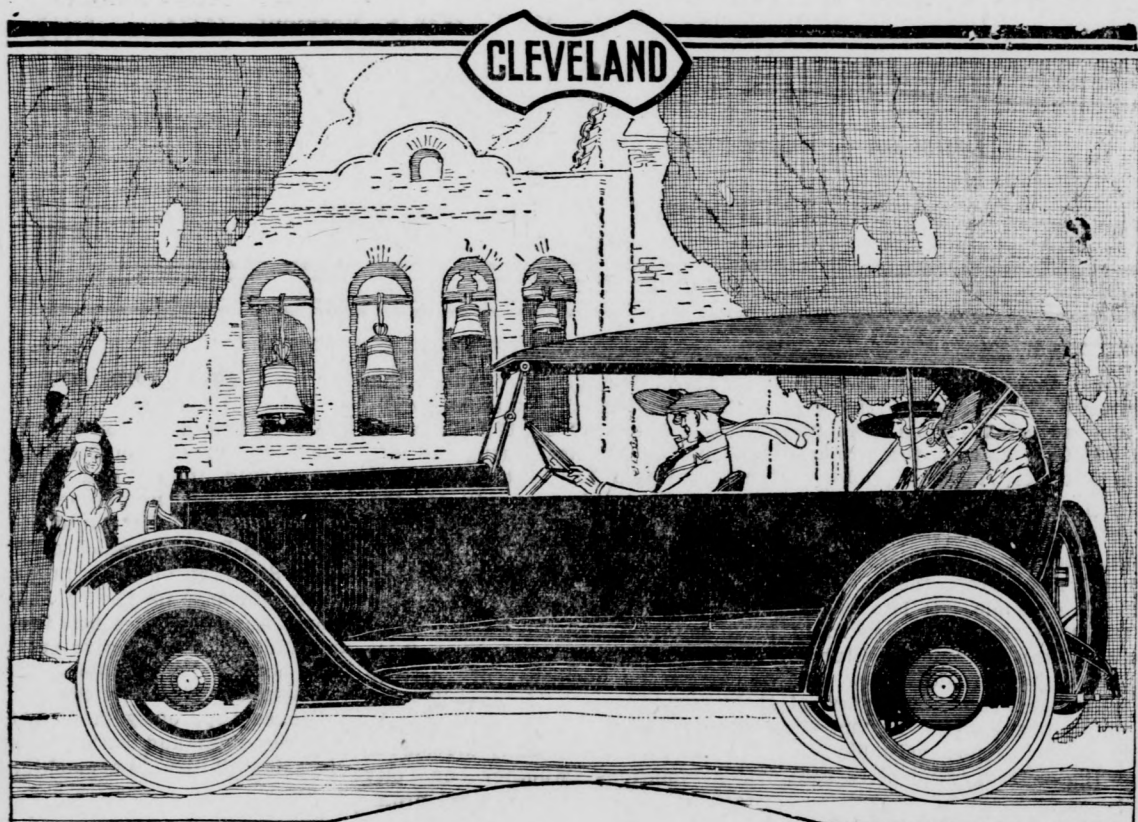

In the Essex, men say, are met the fine qualities of performance that distinguish the best of high-priced cars, with the economy of cost and operation that is an exclusive light car advantage.

When you know the Essex you will want one. Its popularity indicates a continued shortage. Don't suffer disappointment by delay in placing your order.

Three Years of Test on Every Kind of Road

Men famous for their success in the great automobile industry, men experienced in the design and building of the finest cars, are the men who conceived and developed and are now manufacturing in large numbers the new Cleveland Six. Their skill and sincerity are built into this car.

The Cleveland Six, new to the general public but tested for nearly three years in the shops and laboratory and on the road, and built now in the most modern of automobile plants, brings power and comfort and beauty of design at a price others have not approached.

We want you to get acquainted with the Cleveland Six. We want you to know what a car it is. We want you to realize, to convince yourself, before you order a new car, what unusual value in power, comfort, beauty, endurance and economy this car offers.

plified mechanical construction, so that all parts of the car are accessible with the least effort. Ease of operation is also claimed to be superior to almost any other car, regardless of price. The astonishingly quiet, smooth gear shift is a point remarked on by everyone who has driven other cars.

The combustion chamber of the Cleveland motor is completely machined, eliminating the accumulation of carbon to a minimum, and the arrangement of the internal inlet manifold gives perfect carburetion under all atmospheric conditions.

The upholstery is genuine leather, and a beveled plate-glass window is fitted in the rear curtain of the finely tailored top.

L. S. Cobb, of Cobb & Evans, Cleveland dealers in Fresno, has just completed a trip with a Cleveland stock touring car from Cleveland to Fresno, by way of Chicago and many other cities, covering a distance of 3259 miles without mechanical trouble of any sort, and with a consumption of gasoline averaging sixteen miles to the gallon. The major portion of the trip was over rough or muddy or sandy roads.

The Cleveland Six is on exhibition at the showroom of Bartlett & French, 201 South Brand boulevard, Glendale.

AUTO ACCIDENTS

DUE TO FLAGRANT CARELESSNESS ON THE PART OF MANY DRIVERS

An investigation into circumstances having to do with an epidemic of automobile accidents in the southern part of the state starting last August and going strong now is promised by the Automobile Club of Southern California, according to a report issued yesterday.

Never before in motoring history has apparent carelessness been so flagrant among automobile drivers as at the present time, say club officials, this statement being based upon police records and upon testimony secured from the insurance department of the Auto Club.

That there is no excuse for at least nine-tenths of the traffic accidents reported is the contention of the officials, and three types of motor car drivers are singled out as the worst offenders.

These are: The "sight-seeing" motorist who drives along the high-

New Tires From Old

Discarding tires because the tread is worn usually means losing 75 per cent of the original investment.

With Miller Ad-On-A-Tires they can be rejuvenated—made almost as good as new—and oversize. Your tires will then deliver 100 per cent value on your investment.

The Miller Ad-On-A-Tire is built of several layers of fabric—breaker strip sidewalls, and famous Geared-to-the-Road tread. It is really a tire in itself without beads. It is tough, long-wearing and buoyant. Bring us your worn tires. We will re-mile them with the famous Miller Ad-On-A-Tire. The many caterpillar feet engage the ground like cogs, insuring positive traction and safety.

Our process makes the Miller Ad-On-A-Tire an integral part of your old tire. After it is applied you cannot tell the old tire from a new. It can be used on any tire regardless of make. Come in and see this wonderful tire saver.

THE UNIVERSAL CAR

Every Ford Owner Should Know

Just what Ford Service is, and why it is different from ordinary garage service, and why it is more profitable to patronize the Authorized Ford Dealer. The Ford Dealer is a part of the Big Ford Family. He carries a stock of genuine Ford parts for repairs and replacements so you don't have to wait while he sends for them, and he uses only genuine parts because he knows the imitation parts aren't dependable and don't wear.

He has a thoroughly equipped up-to-the-minute garage with tools that enable his Ford mechanics to efficiently and properly make any repairs—from a minor adjustment to a complete overhaul. And when the work is finished, his bill represents the reasonable, standard Ford prices.

Now we are authorized Ford Dealers—a part of the great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. We are prepared and equipped to render prompt, careful Ford service. Drive in or phone and we'll come after your car.

ways looking entirely at the scenery and gesturing from the car as though he were giving arm signals, but paying no attention to the business of operating his car.

Then there is the driver who operates with his sub-conscious mind only. He drives as a matter of habit, thoughts soaring far away, and then when an emergency arises he cannot come back to earth in time to avoid an accident.

There is also the driver who does not provide a "margin of safety." He operates his car right up to the safety limit, and when the man in front of him, or behind, makes an unexpected move there is no margin in which to avoid an accident.

Of an average of 18,000 motor car owners insured in the Automobile Club, 2,966 reported accidents dur-

ing the last three months. The Inter-Insurance Exchange of the organization adjusted claims amounting to \$86,033, states the report from its manager, Ralph Reynolds.

These claims are not made as the result of accidents caused by club members, according to the testimony filed, but largely from the carelessness of other people. It is a recognized fact that the moral hazard of insurance in the Automobile Club is higher than that in any other concern, therefore the testimony of those of the organization having accidents is extremely valuable in showing the general trend of reasons for these accidents.

The Los Angeles police department announces that traffic accidents have increased fifty per cent since August, and this is an indication of

the general increase throughout the southern part of the state, say club officers. There were 11,609 accidents in Los Angeles during the last fiscal year and 11,513 the year following. That this year will see the number almost doubled is the prediction of the police department.

Individual caution is the remedy suggested, and the club states that until motorists overcome their sight-seeing proclivities, and put their minds on the business of driving their cars, these accidents will not abate.

In the meantime, many arrests for traffic violations whether on city streets or county highways are promised from now on.

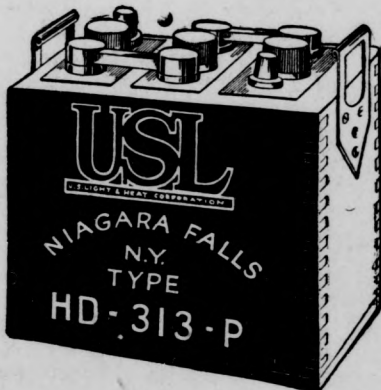

Observe the rules of the road and don't be a menace to the safety and comfort of others.

WATCH THIS ONE

A new type of motor car thief has just been arrested in Buffalo. This man would follow and obtain the motor and car numbers of newly-purchased cars. He would then hasten to the Buffalo branch of the New York State automobile bureau and obtain a license for the car, using the proper numbers but a fictitious name and address. Three cars are said to have been stolen by this thief before the owners obtained licenses. With a license apparently made out properly the thief had little difficulty in disposing of the new machines.

San Luis Obispo County is shortly to vote on an issue of bonds amounting to a million and a half dollars to provide roads to correspond to the highways of neighboring counties.

Personals

Mr. and Mrs. A. W. Beach of 633 North Brand boulevard have gone to Seattle.

The I. V. I. Club is meeting this afternoon with Mrs. J. W. McFadden of 600 West Broadway.

Miss Edna Henning of 203 East Elk avenue, who has been confined to her home by illness, is reported very much better.

Glendale and Broadway was the scene of an auto collision Friday afternoon at 2 o'clock when the Sunland bus ran into M. R. Lowe's taxi. The taxi was overturned with Mr. Lowe in it, but he was not hurt.

Last Monday Zan Zack and his bride paid a pleasant call on Mr. and Mrs. LeBlanc, at their home on Glendale avenue. Wednesday Mr. LeBlanc left by the coast line for a business trip in the north. He will be home in time for Thanksgiving.

Mr. and Mrs. Harding of 707 Orange Grove avenue, their three children and Mrs. Vederstrom, mother of Mrs. Harding, will spend Sunday in Los Angeles as guests of Mr. Harding's brother, Charles Harding, and family.

Mrs. T. G. Hubert, president of the Woman's Auxiliary of the Diocese of Southern California for the Episcopal Church, and her sister, Miss Goodall, are house-guests of Mrs. D. W. Hunt, 1007 East Harvard street.

At the morning assembly at the Intermediate School on Friday the pupils of the Music Department, under Miss Elsa Brennenman, furnished a very nice program of vocal and piano solos which was much appreciated by the students and by parents who were present.

J. Harry White and wife of Topeka, Kans., have purchased a home on North Louise, having decided that there is no better place to locate than Glendale. They are staying at present with Mrs. White's sister, Mrs. E. L. Walker, 1427 Rock Glen avenue. Mr. White has been in the real estate business for several years and has an office now in the Wright building, room 2.

Mrs. D. E. Dietrich of 462 West Burchett street says she has just received a letter from her daughter, Mrs. D. W. Henke, who is now at Dallas, Texas, reporting that she has gained eight pounds in weight. This is good news to the parents of Mrs. Henke as she was quite delicate while she lived here and they are delighted to have her find a climate that agrees with her.

The First Division of the Ladies' Aid of the First Methodist Church had a social meeting Thursday afternoon in the parlors of the church. At a brief business session plans for the forthcoming bazaar were discussed and a decision was reached to hold it early in December. Following this business session tea and wafers were served, a nice musical program was furnished by Miss Isgrig and a social hour was enjoyed.

MILFORD CARD CLUB

The Milford Street Card Club was entertained Friday afternoon by Mrs. H. V. Henry of Patterson avenue, who has more than once served as substitute and who welcomed the opportunity to act as hostess. The ladies present were: Mesdames Thompson, Leppelman, McPherson, Fletcher, Heustis, Vinton, Hosford, White, Rathbun, Southard and Young. Refreshments suggestive of Thanksgiving—pumpkin pie, coffee and fruit cake were served by the hostess at the close of play.

DANCING CLUB

A club composed chiefly of Glendale residents, which meets informally about once a month, will be entertained with an evening of dancing tonight at the home of Mrs. Watts in the Hollywood district of Los Angeles. Those from this city who will motor to Hollywood are Mr. and Mrs. J. Apfel, Mr. and Mrs. R. Angelica, Mr. and Mrs. A. Dibbern, Mr. and Mrs. E. Augustine, Mr. and Mrs. J. West, Mr. and Mrs. F. Gorman of Hollywood, Mr. and Mrs. J. F. Hearnshaw.

A SOCIAL NOTICE

"Mrs. Has to Workhard, widow of our late fellow-townsmen Meantwell Butt Puttitt, who died recently leaving a good POSITION and a MORTGAGE, is leaving town and takes with her her two children, John Handicap and Mary Poor Outlook, to accept a position in the Atit Nightand day Mill of the Surekillen Company. She should do well on overtime." (Provident Notes) To prevent just such a notice, with the names of your wife and children inserted, is my solicitude and work.

CHAPTER B. A.

Chapter B. A. of the P. E. O. was entertained at an all-day meeting by Mrs. Frank Arnold Friday afternoon at her home on Lomita avenue. Mrs. Josephine Brant was the assisting hostess. Eighteen ladies of the philanthropic section were present who accomplished a considerable amount of sewing. A luncheon was served at noon and there were music and readings during the afternoon.

PRESBYTERIAN CHRISTIAN ENDEAVOR

The Young People's Society of Christian Endeavor of the Presbyterian Church met in regular monthly business session last Tuesday evening at the church. Big plans have been made for the next few months and an effort to reach all of the young people in the church and community. One of the largest plans is the dividing of the society into groups with a president, secretary and treasurer for each group, each of these being responsible to the president, secretary and treasurer of the society. Every group is expected to double its membership by the first of the year and, in turn, to be responsible for the advertising, fellowship and leadership of the Sunday night meetings. This plan is meeting with success and is proving very satisfactory.

Another important plan is the securing of Mrs. Baker of North Maryland, who is to give twenty-minute talks each Sunday evening at the C. E. service on the Fundamentals of the Bible as a whole. This is only a part of what this society is doing.

HOLLY POULTRY RANCH

HATCHERY CAPACITY 130,000 EGGS, LARGEST AND FINEST HATCHERY IN SOUTHERN CALIFORNIA

Announcement of expansion to care for Spring season of 1920
We are erecting another brick building larger than our present fine hatchery with brick double walls and especially ventilated by the "Holly plan." There is nothing like it in California, being especially adapted for our climate, being pronounced by experts to be the finest Hatchery in California. This will bring our capacity to 130,000 eggs and will make our plant the largest in Southern California.

We hatch only White Leghorn Chicks and have for our egg supply 22,000 breeders selected from the best Commercial flocks in Southern California.

We are exclusive hatchers of eggs from F. R. Richardson Egg Farm, Joseph H. Tumbach, Chas. G. Weaver, Anthony Sisters and many others of large experience in breeding Commercial Leghorns, for only one purpose and that to make money from market eggs.

Our two especially constructed and ventilated Auto deliveries with a combined capacity of 14,000 chicks at one load are at your service. We deliver within 40 miles of Van Nuys. Send for our circular.

Don't forget that we are Southern California Agents for the one and only Famous Pride of Petaluma Cone Ventilating Brooder Stove, which for 1920 will show new features in ventilation and is the result of years of practical experience in brooding. We supply ventilation and house plans and also plan brooding systems of all capacities by our stove method. Send for 1920 catalogue.

Visitors are welcome, except on Sunday.

FOOTBALL GAME

(Continued from Page One)
and the men considerably outweigh the Glendale talent. Their forces are well organized and thoroughly schooled in team work. Opposing them was the Glendale team organized with practically new material at the beginning of the year because most of the seasoned men of 1918-19 were in the class which was graduated last June. It has good material. That has been demonstrated by its record up to Friday afternoon—a succession of victories—but it isn't seasoned sufficiently to match such a strong team as it had to play against yesterday. No one was discouraged. The men spectators who were most disappointed, said: "Next time they'll win" and on the heels of it they told the experience of some other team that had been knocked flat and risen to brilliant victory. Besides the crippling of the team through graduations, two able men have been lost since the term opened in September. One of these is Fred Jenkins, the other Merle Eckles, who was considered by all odds the best man in the aggregation. He cannot soon be replaced.

The game brought to light some talent, notably Sherwood Ball, who was taken on as a "sub," and who did such good work as to arouse much favorable comment. He is known among the boys as "Goofy."

BIDS WANTED

The City Clerk of the City of Glendale will receive sealed bids up to 8 o'clock p. m. December 4, 1919, at his office in the City Hall, to supply the City with one car load of 40-foot poles; poles to conform to the Western Cedar Association specification and butts to be treated by the open tank treatment "B" of the above Association; poles to have not less than 8-inch diameter and 25 inches circumference at the top, circumference 6 feet from the butt to be not less than 39 inches.

The right is reserved of rejecting any or all bids.

City Clerk.

MOTHERS' MEETING

The Mothers' Meeting of the Aca-cia Street School was held Friday, Nov. 21st.

The president, Mrs. Strong, called the meeting to order, with the Salute to the Flag, and singing "America." An interesting Thanksgiving program, prepared by the children, was given, and then the business meeting was held, and there will not be a meeting again until the 3d Friday in January. Reports were read from all the departments.

Mrs. Strong urged that mothers should come out more to the meetings if they expect results from the children and the teachers. When the business was completed, cake and coffee were served in Miss Cornwell's room.
